

Dear Cotter Trout Festival Supporter

We need you!

The Cotter-Gassville Chamber of Commerce announces that plans for the 13th Annual Cotter Trout Festival are in full swing and we want you to share in the excitement. **You are invited on Friday, May 2**, to join the Chamber, Festival leadership, White River Artists, and exhibitors for a community wide BBQ dinner – complete with live music, mingling and more. The 6th Annual White River Artists competitive “Quick Draw” takes place on our beautiful stretch of the White River from 4:30 – 5:30 and everyone is invited to look over the shoulders of some of the most acclaimed Plein Air Artists while they paint the scenery we love.

Following the judging they will join us and we can review their creative results while enjoying each other and sharing in the BBQ, music and a sunset on the river.

Early Saturday morning, May 3– plan to join us for the “Best FREE Family Festival” in the area...the Cotter Trout Festival - with a full Country Breakfast by Cotter VFW – in the pavilion while everyone gets the best seats to view the Grand Parade. Exhibitors and Vendors will welcome guests by 8 a.m. and the Festival continues throughout the day with special activities and live music among many favorite activities.

Here are some other Festival highlights:

- **Kid’s Fishing Hole sponsored by the Cotter Trout Dock and Rod & Reel Club among others**
- **Casting with North Arkansas Fly Fishers**
- **White River Lions Club Charity Car show**
- **Kid’s Events sponsored by Master Gardeners and Lowe’s**
- **Special exhibits, unique selections of crafts and art and live music**

Please visit www.cotterarkansas.com to keep up with the details and new events we’ll be adding. Your donations help us afford the live music, advertise the festival and meet the other costs that keep this a **FREE community event**. Your thoughtful gift for our silent auction and drawings will not only help us highlight your business or service – but adds to the fun for everyone.

If you can assist us please make donations to Cotter-Gassville Chamber of Commerce and use the enclosed envelope, or contact Roland Morris 870-926-8605 or rmdivprint@gmail.com . You may also contact us at Cotter.Chamber@gmail.com. Thank you for helping us promote life in our two communities. We appreciate you!
